

the Flu. said to go to bed and stay there until the doc says get-up be careful of the discharge from the nose and of coughing do not visit any sick no matter what is the matter.

You asked how many of the capsules to take just one before meals and to very careful of catching cold.

I have at last got so I feel like myself. Have not fixed your dresses but probably will this coming week, or at least find the plug you spoke of.

Have you found it by this time?

Enclosed you will find a letter from Betty which Helen wants sent back to her.

I see where Marjorie Sinclair is dead in New York. I did not know she was married am sure I saw her in Cans
